Limited Warranty

Tactus Limited warrants to the end user that this product will be free from defects in materials and workmanship, in the course of normal use for a period of 12 months (1 year) from the date of purchase. This warranty covers breakdowns due to manufacturing or design faults.

The warranty is subject to the following provisions:

■ The warranty does not cover accidental damage, wear and tear, or negligence;

■ It must be solely used for domestic purposes;

■ The warranty will be rendered invalid if the product is re- sold or is damaged through any adjustment, modification or repair not authorised by us;

■ Specifications are subject to change without notice;

■ The manufacturer disclaims any liability for the incidental or consequential damages.

The warranty is in addition to and does not diminish your statutory or legal right. Should you have a problem with your device please contact your supplier, or contact Customer Support at: **support@codacomputers.com**

Register to activate your warranty at: **codacomputers.com/warranty-activation**.

Manufacturer Address:
Tactus Limited, Building 1, Olympic Park, Olympic Way, Warrington, Cheshire WA2 0YL.

Declarations

EU – Declaration of Conformity
CODA Computers declares that CODA WAVE complies with the essential requirements and other relevant provisions of Directive 1999/5/EC. A copy of the Declaration of Conformity is available on request.

CODA Computers, Building 1, Olympic Park, Olympic Way, Warrington, Cheshire WA2 0YL.

Disclaimer

Tactus Limited makes no representation or warranties with respect to the content of this document and specifically disclaims any implied warranties of merchantability or fitness for any particular purpose. Furthermore, Tactus Limited reserves the right to revise this, or any other publication, and to occasionally make changes to the contents without the obligation of Tactus Limited to notify any person or organisation of such revision or changes.

Disposal of Waste Electrical & Electronic Equipment (WEEE)

This symbol on the product or on its packaging indicates that this product should not be treated as household waste. Instead, it should be handed over to a suitable collection point for the recycling of electrical and electronic equipment.

By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. The recycling of materials will help to conserve natural resources.

For more information about the recycling of this product, please contact your local council, your household waste disposal service, or the reseller you purchased this product from.

Safety information

Battery and charger safety
To unplug a charger or an accessory, hold and pull the plug, not the cord. Unplug your charger when it is not in use. If your device is left unused on standby, a fully charged battery will still lose charge over time.

Always keep the battery between 59°F and 77°F (15°C and 25°C) for optimal performance. Extreme temperatures reduce the capacity and lifetime of the battery. A CODA WAVE with a hot or cold battery may not work temporarily.

Do not dispose of batteries in a fire as they may explode. Obey local regulations and recycle when possible.

**Do not** dispose as household waste.

Do not dismantle, cut, crush, bend, puncture, or otherwise damage the battery in any way. If a battery leaks, do not let the liquid touch your skin or eyes. If this happens, immediately flush the affected areas with water and seek medical help.

Do not modify, attempt to insert foreign objects into the battery, or immerse or expose it to water or other liquids. Batteries may explode if damaged. Use the battery and charger for their intended purposes only. Improper use, or use of unapproved or incompatible batteries or chargers may present a risk of fire, explosion, or other hazards, and may invalidate any approval of warranty.

Do not charge your CODA WAVE during a lightning storm.

Only use the charger supplied.

Never use a damaged battery or charger.

Getting started

Display the Start menu: Select the Start button in the lower-left corner of the taskbar and easily find your favourite Apps, settings and files.

Access Cortana: Get things done with your very own digital assistant. To get started, type a question in the search box, or select the microphone icon and talk to Cortana.

Search: In the taskbar search box, begin typing the name of an App, setting, file or internet topic.

Browse the web: Microsoft Edge gives you new ways to find stuff, manage your tabs, read e-books and write on the web. To get going, select Microsoft Edge on the Windows taskbar.

Shut down your computer: Select the Start button, select the power icon, then select shut down.

Connect to a wireless network: Select the network icon in the lower-right corner of the taskbar and select one of the available networks.

Note: Windows features screen may vary from image shown above.

Need more help?: To access help topics, select the Start button, and then select the Get Started App.
